and to benefit a great cause!**

**We are pleased to report that the first two annual charity lacrosse tournaments have raised over \$26,000 for our wounded men and women in uniform.**

**The Wounded Warrior Project (WWP) seeks to assist those men and women of our armed forces who have been severely injured during the conflicts in Iraq, Afghanistan, and other locations around the world. Many of the injuries are traumatic amputations, gunshot wounds, burns and blast injuries that will retire these brave warriors from military service. From the battlefield to their bedside, WWP is there to meet the needs of our Wounded Heroes.**

**The Wounded Warrior Project is a non-profit organization.**
